Re: Public Hearing Comment for December 18, 2021 at 10 AM

Dear Planning and Zoning Commission Members,

As I am unable to attend the December 18, 2021 public hearing, please read into the record the following statement regarding the Draft Ordinance to amend Chapter 185, Zoning: To provide consistency and fairness, we ask that you consider granting the square footage patron allowance that is 4,000 square feet or less to require no off-street parking.

Thank you for your efforts on behalf of our community.

Sincerely,

Carol Everhart
President/CEO
